(Texas's 18th congressional district)

Accolades

As a master credentialed expert on personality type, **Dr. D. Ivan Young** has been hailed for his provocative teaching style on complex relationship subjects and highly sought-after as a speaker. His theories about Law of Attraction and human emotional intelligence have gone viral by millions of fans around the world.

Dr. Young's accolades include:

- Recipient of The Presidential Lifetime Achievement Award by two White House Administrations
- Recognized by U.S. Congress with a Lifetime Achievement Award for his positive impact on American Culture
- Honored by Texas State Senate - Senator Boris Miles for Contributions to Coaching and American Culture
- Recognized by the City of Houston and The Houston City Council for his influence in the national media and his life-changing impact on both family and institutional relationships
- Named Life Coach of the Year by The National Black Life Coach's Network
- Vice Chancellors Award for Leadership – University of Houston

DR. D IVAN YOUNG CONTINUES TO TEAR DOWN BARRIERS AND TRANSFORM LIVES

“Before you can understand anybody else, you need to have clarity about yourself.” – Dr. D. Ivan Young

His simple, direct attitude sparks new thinking about healing broken people. His insightful teaching style has been hailed ‘provocative’ by the media and fans from around the world. Dr. D is recognized as one of the most influential life coaches and highly-sought after public speakers in America today.

“What if you could identify and understand the differences about how and why you fail every time you try to connect with others on a deeper level? The better you understand your natural tendencies and how you instinctively express them, plays a pivotal role in how you understand others.”

The Reality Check Doctor Gains Over 2M Views for Eye-opening Talk on TEDx

Dr. D. Ivan Young, America's leading relationship expert, goes viral with Law of Attraction video.

HOUSTON, TX— (June 13, 2018) – He wasn't chosen because he is African American. He wasn't chosen because of his notoriety. [Dr. D. Ivan Young](#) was chosen to be a TEDx speaker because he has discovered the key to unlocking the secrets behind Law of Attraction. And people are taking notice – [Dr. Young's TEDx talk](#) has garnered over two million hits and averaging in excess of 40 thousand plus views a month.

A Certified Master Neuro-Linguistic Programming Practitioner, Dr. Young's views on human emotional intelligence are gaining the attention of world leaders, business execs and celebrities. Hailed as the "Reality Check Doctor," Young is known for his provocative teaching style on complex relationship subjects. His confident demeanor and silky speech coupled with his exclusive knowledge of personality types, has helped catapult his career as a sought-after public speaker, life coach and relationship expert. And recently, he reached a milestone mark in his career with the online surge of engagement for his straight-from-the-hip TEDx Talk, [Emotional Intelligence: Using the Laws of Attraction](#), which has received over two million views.

"Traditionally, only a very select group of thought leaders are presented with the opportunity to speak on TEDx," said Dr. D. Ivan Young, a Certified Master Life Coach and credentialed Master MBTI Practitioner. "I'm honored to have been given the opportunity to speak about my law of attraction and emotional intelligence theory."

Since 2008, Dr. D. Ivan Young has been recognized and awarded the [Presidential Lifetime Achievement Award](#), by two White House administrations for his contribution of service, and recently honored by the United States Congress via Texas Congresswoman, [Sheila Jackson Lee](#), a senior Member of the House Committees on Budget, Judiciary and Homeland Security. In May, 2018, Texas State [Senator Borris Miles](#) recognized Dr. Young for his remarkable achievements in coaching and public speaking.

Young's expertise on the Laws of Attraction, which is one of the most controversial scientific and spiritual theories discussed in mass media, has piqued interest groups looking to make change in the world. When the subject grew in popularity during the 20th century by leaders such as Wayne Dyer, Deepak Chopra and Oprah, it brought several different theories to the mainstream. Until now, very few people have been able to transform the idea and simplify it from a complex discussion on quantum physics and spirituality. The fact that Dr. D Ivan Young has the ability to break this prodigious mixture of scientific facts and spiritual beliefs into digestible and relatable subject matter is nothing short of profound. Dr. D. Ivan Young, whose namesake initials support his "D.I.Y." belief system on human transformation, is ready to share his theories.
